Please note that this is a preliminary specification sheet and the information contained within it can change without notice prior to launch of the vehicle. This should only be used as an ordering guide only.

1 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

2 Certain sections of the leather appointed seat upholstery contain man made material.

3 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

4 Digital radio reception coverage dependent on vehicle location.

5 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
